ROSSER SurePac
PROPERTY – UK

Infectious Disease Endorsement

Effective 13 March 2020

The endorsement below applies to the Policy Wordings for Rosser SurePac Property and Rosser SurePac Property-UK for all renewals and new business from **13 March 2020**.

The endorsement deletes the automatic Infectious Diseases extension and replaces it with an exclusion.

Infectious Disease

Automatic Extension – Infectious Disease in Section 2: Business Interruption is deleted in its entirety.

The following exclusion is inserted at the end of the General Conditions section of the Policy:

Exclusion applicable to entire Policy

Notwithstanding anything contained in this Policy to the contrary, this Policy does not cover Loss or Damage or loss resulting from interruption or interference to the Business in connection with or as a consequence of any notifiable infectious disease under the Health Act 1956 and/or any notifiable organism under the Biosecurity Act 1993.

All other terms and conditions remain unchanged.
